MORE IS MORE! Color & Pattern Are Back

Where The Heart Is

We asked five Westchester designers to fill in this blank:

"A house isn't a home without _____." Here's what they had to say.

Ryan and Angelica James
R.A.J. Kitchen and Bath

A kitchen that brings people together. It's where conversations happen, traditions are passed down, and everyday moments become lasting memories.

Jonathan Gordon
Design by The Jonathans

The right lighting. Lighting sets the mood for every room. It adds warmth, creates atmosphere, and makes a home feel inviting the moment you walk in.

Bets Miller
Finch & Co.

A pet! There's no need to sacrifice great design or your own aesthetic thanks to beautiful options for family- and pet-friendly fabrics.

Preeti Patankar
Preeti Patankar Interiors
@smallbatchinteriors

A place that invites you to slow down. This could be a cozy chair and natural light for a daily ritual like sitting down with a good book.
