2026 Chrysalis Award Winners

by Ken Kanline

CONTINUING to set new standards of professionalism, 69 companies from across the United States were honored by the 2026 Chrysalis Awards for Remodeling Excellence. The entries were judged on overall design, creative use of space and materials, and the degree to which the project enhanced the original structure.

The Chrysalis Awards program recognizes the nation's best work in fourteen general categories of residential and commercial remodeling. The competition is open to every professional remodeler and design professional in the United States.

For more information about the Chrysalis Awards, and a recap of all winning projects since 2000, visit our website at www.chrysalisawards.com.
